

## DOWNLOAD CLASS MATERIALS FROM GOOGLE CLASSROOM

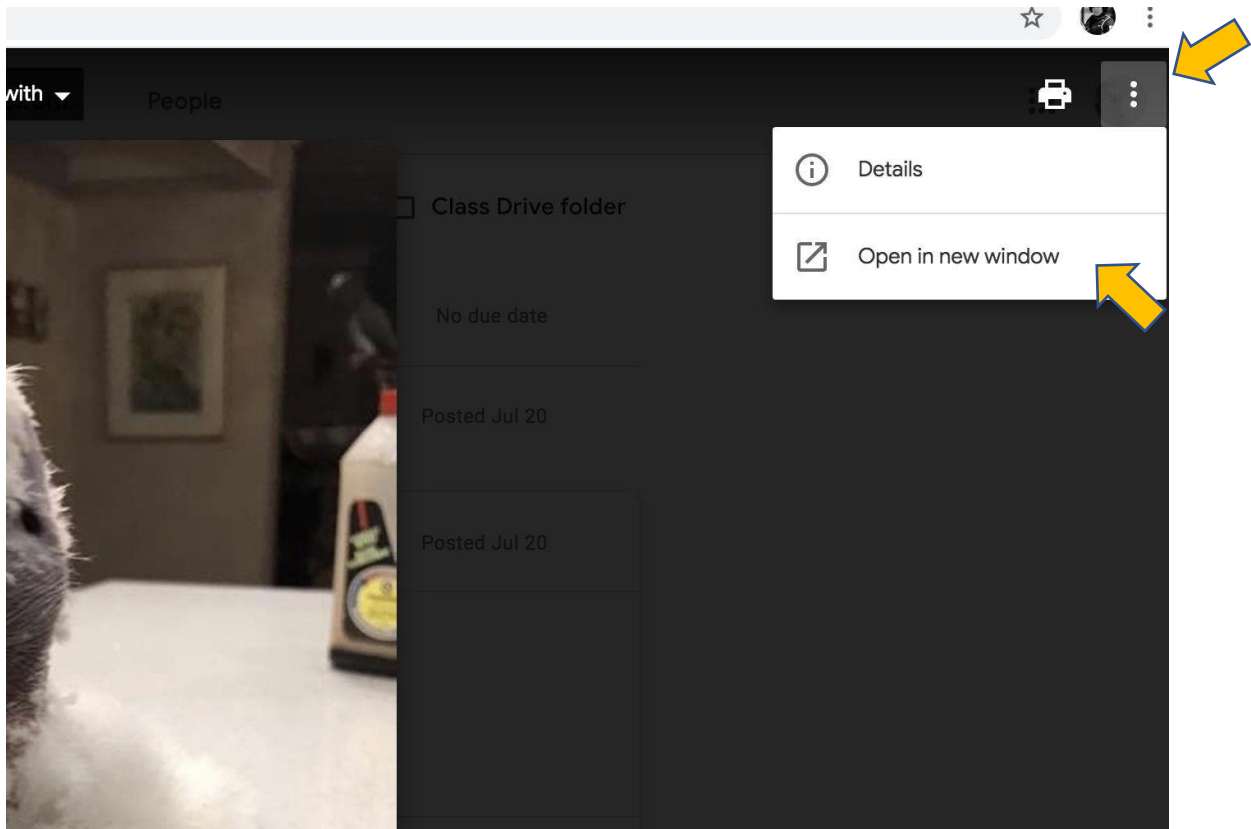

1. Once in your class go to 'Classwork.' Click on the desired materials.

2. The selected material should open, but you may not see a way to download the file.

3. Click on the vertical three dots in the upper right-hand corner. Click on 'Open in new window.'

4. In the new window you should have a download icon. Click that, and you should be able to download the file.
